**ALYSSA'S NOTE:** Lots of things are planned for this Term but we need YOU to make it happen. Remember what Mrs Dibrell always says...

## Together Everyone Achieves More!

I will have rosters and our Term plans at the Oct 6th meeting for your notebooks. If you are missing a form or information in your notebook, let me know b4 the 6th and I'll see you get what you need.

For my Term service project, we are going to send a care package to service members in Iraq. I will have details at the Oct 6th meeting on how you can participate.

**JOSIE'S NOTE:** It's time again to save [pink lids](#) from Yoplait yogurt for Breast Cancer. Ask everyone you know. Let's see if we can collect over 100 this year ( we collected 85 last year) Also remember Box-tops and pop-tops. We want to win first place again!

**ALLANAH'S NOTE:** Got a super idea for the float for the Kerr County parade? Bring it to the meeting on October 5th!
